

## Corona notices

Due to the ongoing pandemic situation, please be advised of the following:

- Flights with cancellation and/or withdrawal options are reimbursable.
- Expenses for Corona tests required for travel can be claimed (proof of need as well as test provided required).
- Expenses related to quarantine stays are not eligible. In principle, travel for which a travel warning has been issued by the Federal Foreign Office cannot be funded.
- Expenses necessary for implementation in the digital space or for hybrid projects can be applied for, provided the project applied for complies with our funding guidelines.

Eligible expenses include, for example:

- Programming (of websites, digital platforms, digital exhibitions, etc.)
- Design (of web layout of different formats)
- Translations (accessibility to a wider public through multilingual digital presence)
- Rent for technical equipment (e.g. monitors, beamers, recording facilities for streaming etc.) as well as the respective services for corresponding operation
- Licences
- Space rental (hybrid formats, streaming, studio etc.)

Please note that 3 comparative offers are also required here.

If you have any queries, you will find our contact details on the website.
